

To,
The Station House Officer,
Doda,

District Doda, Jammu & Kashmir.

Subject: Request for strict legal action against anti-social elements for damaging the idol of Lord Shiva in Manimahesh, Doda.

Respected Sir,

With due respect, we would like to bring to your attention a highly unfortunate and offensive incident that took place in Chota Manimahesh (Goa Marmat) District Doda, where the idol of Lord Shiva has been deliberately vandalized by some anti-social miscreants. According to reports, the right hand of the idol has been intentionally broken, which has deeply hurt the religious sentiments of the entire Hindu community.

This act is not only an attack on our sacred beliefs but also appears to be a planned attempt to disturb communal harmony and peace in the region.

On behalf of Vishav Hindu Raksha Sangathan, we humbly request the following:

1. Immediate investigation into the incident and identification of the culprits.
2. Registration of an FIR against the accused under relevant sections of the IPC.
3. Deployment of special patrolling and monitoring around all religious sites, especially in sensitive areas like Manimahesh.
4. Urgent restoration and reinstallation of the damaged idol by the concerned authorities.

We hope that your office will take this matter seriously and initiate prompt and strict action to maintain peace and uphold the law.

Yours sincerely,

◆ Kishore Ji.
